Dear JRMS Seventh Grader and Parent:

Attached to this letter is an enrollment form that you must fill out and return to your homeroom teacher **no later than Friday, May 21, 2010**. This form is used at JRMS to enroll students in our performing music groups for their next academic year.

In case you are uncertain about how we schedule music groups at JRMS, let me share the following information with you:

Band, String (Orchestra), and Chorus are yearlong courses.

To take Band or Strings you must already play an instrument appropriate to the Band or String Program. If you do not play an instrument, you can NOT sign up for Band or Strings. However, if you are interested in starting an instrument you should take lessons in the private sector in order to be at the musical level of your class. Once you have become reasonably proficient, then Mr. Cruciani could schedule you into the Band or Orchestra as the eighth grade year progresses.

Students who play **piano** or **guitar** will have the appropriate experience in the general music class. They should **not** sign up for Band or Orchestra. Students, who decide to leave the performing music programs with parental permission, need to understand the impact their decision has on scheduling. There are no guarantees that their alternate choices will be possible. In the event this occurs, parents need to discuss the change with the music teacher and their guidance counselor.

Sincerely,

Mrs. Diane Martin
Principal
