Dear Parents and Guardians,

Welcome to the Redding Schools. I am certain you will find our schools to be some of the finest in Connecticut.

As a parent seeking enrollment for your child(ren) in our schools, you must be a Redding resident.

You will need to fill out an enrollment verification form and provide your proof of residency by supplying any **two (2)** of the following documents:

ONE DOCUMENT MUST BE A

- Recorded Deed
- *Current* Real Estate Tax Bill
- Field Property Card *from the Town Clerk's Office*

- Signed and Notarized Affidavit *if living with family members*

AND ONE OF THE FOLLOWING:

- *Current* Utility Bill (gas, electric, propane or cable bill) with your name and address on it.

Leaseholders and families enrolled with affidavits must update those documents yearly or as they expire.

If you are purchasing a home with pending occupancy or property in Redding to construct a permanent legal residence, you must contact Eileen Hepp at Central Office: 203-261-2513 to learn about the regulations to establish residency in these circumstances.

Thank you for your understanding in this matter and interest in our schools.

Sincerely,

Diane Martin

PROCEDURE FOR REQUESTING MEDICATION ADMINISTRATION

If your child requires a prescription or over-the-counter medication during the school day or during intramural or interscholastic athletic events, you must follow the procedures required by Redding Public Schools, Connecticut General Statutes, Sec. 10-212a, and Connecticut Administrative Regulations, Sec. 10-212a-1 through 10-212a-9. These procedures promote safe practices for students and staff. Please read them carefully.

1. For each medication that must be administered daily or on an as-needed basis, the parent must obtain the written order of an authorized prescriber (physician, dentist, advanced practice registered nurse, physician assistant, optometrist and, for athletic events only, a podiatrist) using the *Authorization for the Administration of Medicine by School Personnel* form. A new order is required each year and, if so prescribed, may be effective from July 1st through June 30th of the given school year. A medical order dated July 1 of a year will cover summer programs *and* the upcoming school year.
2. The authorized prescriber must fill in the information requested on the form:
 - a. Name of medication, the generic name of the medication, and strength of the medication;
 - b. Indication(s) for the administration of this medication in school (condition, diagnosis);
 - c. Amount (dosage) of the medication to be administered and route of administration
 - d. Potential side effects of the medication;
 - e. Time of day that the medication is to be administered; and frequency for PRN (as-needed) medications
 - f. Duration of the order for administration of the medication (up to 12 months from July 1 through June 30th of the same school year).
 - g. If applicable, authorization for self-administration in school.
3. A parent or guardian must sign the "Parent/Guardian Authorization" portion of the form and, if applicable, provide authorization for self-administration in school.
4. The medication must be packaged in the **ORIGINAL PHARMACY CONTAINER**, clearly labeled with the student's name, the authorized prescriber's name, and the prescription.
5. The medication and completed authorization form **must be delivered to the school nurse by a responsible adult.** (For students with a chronic medical condition who are prescribed emergency or some other non-controlled medications, once the nurse has reviewed the medical order, the student is responsible to carry the medication to/from school each day and maintain its safe control at all times.)
6. Self administration plans approved for the school day also extend to extra curricular activities and athletics.
7. Self administration of controlled medication is not permitted.
8. No more than a three (3) month supply may be stored at school. Unused medication will be destroyed if not picked up by a responsible adult by the end of the last day of school.

It may be helpful to take the *Authorization for the Administration of Medicine by School Personnel* form with you to your healthcare provider in case medication is prescribed for your child.

Thank you for your cooperation. Please contact the school nurse if you have any questions.
